#### Registration Fee & Tuition:

A non-refundable \$700 registration fee must be submitted with this application, which will go against the first payment of your tuition. Please refer to the website for the most updated tuition and payment options. Thank you for understanding that we cannot offer scholarships for the program.

#### Cancellation & Refund Policy:

Once your application has been approved, you will be notified via email. Should you need to cancel your position in the training, it must be submitted in writing to [info@rasayogacenter.com](mailto:info@rasayogacenter.com) as soon as possible.

If it is determined after the training has commenced that a student is unable to complete the total training hours for whatever reason, the student must forfeit the pro-rated used tuition plus the registration fee. A refund of the remaining amount will be issued within 7-10 business days of the student's last day.

#### Make-Up Policy:

Complete participation is strongly recommended. However, life events and circumstances sometimes take priority, and we are as flexible and reasonable as we can be with our students. Whether planned or unplanned, students often miss a module or more of any given training. This is not a problem. While makeup arrangements are subject to our discretion, we help our students successfully complete their program.

If you find that you must miss part or all of a module, you will need make up time to complete the Yoga Alliance requirements for registration at the 500 hour level. If you are attending for learning sake only and have no need for a completion certificate, no make up is required.
